

This section is about Ahri. Her title is “The Nine-Tailed Fox”. Her **Description** is as follows: “Innately connected to the magic of the spirit realm, **Ahri** is a mysterious fox-like vastaya in search of her place in the world. Having become a somewhat reluctant and empathetic predator since entering mortal society, she prefers to manipulate her prey's emotions before partaking of their life essence—receiving flashes of memory and insight from each soul she consumes.” **Trivia** about Ahri is as follows: “Ahri is an adult Vastaya and is over a few hundred years old. During her lifespan, many myths have been created about Ahri, such as the frightening stories of a Demon Fox that ravages entire villages.
